**DEPARTMENT OF COMMUNITY AND SENIOR SERVICES: ACCEPT  
ADDITIONAL FISCAL YEAR 2007-08 OLDER AMERICANS ACT (OAA) FUNDING  
AND EXTEND AND AMEND SERVICE PROVIDER CONTRACTS  
(ALL SUPERVISORIAL DISTRICTS) (3-VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Authorize the Director of Community and Senior Services (CSS), or designee, to accept funding for the Fiscal Year (FY) 2007-08, Older Americans Act (OAA) (Contract # AP-0708-19) for a total \$723,304, from the California Department of Aging (CDA) for the provision of family caregiver, supportive services, and case management services.
2. Authorize the Director of CSS, or designee, to execute contract amendments in substantially similar form to Attachment A for Older Americans Act (OAA) Title III-E Family Caregiver Support Program (FCSP) funds. The amendments will be executed with four service providers in the amount of \$116,005, as indicated on Attachment B, to extend the term for the continued provision of family caregiver services for a period not to exceed six months effective December 31, 2007 through June 30, 2008. County Counsel has reviewed the draft contract amendment and has approved it as to form and will approve each

contract amendment as to form prior to execution. The remaining balance of \$607,299 will be distributed to 30 agencies, as indicated on Attachment C, which fell under CSS' 25 percent increase/decrease delegated authority granted by your Board on June 26, 2007.

3. Authorize the Director of CSS, or designee, to execute contract amendments to increase or decrease contract amounts based on contractor performance and availability of funding provided that: (a) the amount of change does not exceed 25 percent of the amended contract amount for all Title III-E contracts; (b) approval of County Counsel is obtained prior to any such amendment; and (c) the Director of CSS, or designee, confirms in writing to the Board of Supervisors (Board) and the Chief Executive Office within 30 days after execution that such amendments have been executed. This action assures full expenditure of funds and is consistent with the Board's policy requiring review of contractor performance.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The recommended actions are necessary for CSS' continued administration of caregiver services in its Planning and Service Area (PSA) 19, Los Angeles County, excluding the City of Los Angeles.

The four-year funding cycle for the Title III-E FCSP expired at the end of (FY) 2006-07. Prior to its expiration, CSS received approval from the CDA and your Board to extend the existing Title III-E FCSP contracts for six months until December 31, 2007, in order to implement recommendations made by CDA as a result of a monitoring visit conducted in March 2007. The CDA recommended a redesign of the Title III-E FCSP. The FCSP Request for Proposals (RFP) was to be released in Summer 2007; however, delays associated with the CDA redesign of the family caregiver support program and new program requirements delayed the release of the RFP. CSS now anticipates the release of the FCSP RFP early in 2008. With this new six month extension, CSS will be able to implement the recommendations made by CDA. CSS received the CDA approval for this additional extension on October 11, 2007.

#### **Recommended Actions/Consequences**

CSS is requesting authority from your Board to extend the contract term for four existing FCSP funded contracts for an additional six months, with funding provided by CDA, as

indicated on Attachment B. This extension will allow current Family Caregiver Support contractors to continue providing services through June 30, 2008, with no break in service.

On June 26, 2007, your Board authorized the Director of CSS, or designee, to execute contract amendments to increase or decrease contract amounts provided that the amount of change does not exceed 25 percent of the amended amount for all OAA, Community-Based Services, Integrated Care Management Program (ICMP), and Health Insurance Counseling and Advocacy Program (HICAP) contracts. The Department requests the authority to execute amendments with the four FCSP service providers to extend their contract term six months. This extension will result in an increase in the contract amounts by greater than 25 percent of the previously amended contract amounts. The contracts are being increased by the amounts indicated on Attachment B. The recommended actions will enable CSS to execute contract amendments for continued program services so there is no break in service.

### **Performance Measures**

To comply with Federal and State funding source requirements, CSS has developed performance standards to measure program effectiveness:

- The percentage of caregivers whose ability to provide care has increased or improved as a result of the support services provided;
- The percentage of participants who reported improved social functions and emotional well-being; and
- The percentage of participants who are minority, low-income, disabled and aged 75+ exceeds the national average.

Agencies are required to develop benchmark criteria for each performance standard. CSS will assess the agencies' performance during each monitoring visit.

### **Implementation of Strategic Plan Goals**

The recommended actions support the Countywide Strategic Plan Goals of Service Excellence, Organizational Effectiveness, and Fiscal Responsibility.

### **FISCAL IMPACT/FINANCING**

The total funding provided by the CDA for Title III-E FCSP FY 2007-2008 is \$2,214,940. In a Board letter approved June 26, 2007, CSS allocated a total of \$1,491,636, for the provision of family caregiver, supportive services, care management, outreach, information and assistance and a Management Information System (MIS). A total of \$723,307 was allocated for the provision of family caregiver supportive services, and care management for a six month period (July 1, 2007 through December 31, 2007). Another \$768,329 was allocated for the entire fiscal year for outreach services (\$262,001), information and assistance (\$380,173), and the purchase of a MIS (\$126,155).

The balance of the allocation was held for the RFP due to be released in June 2007. The funding available for the contract agencies is \$723,304, which fully finances the caregiver program services. As such, there is no fiscal impact on the County's General Fund.

#### **FIRST ALLOCATION:**

(1) Family Caregiver, Supportive Services, and Care Management	\$723,307
(2) Outreach (Info Vans)	\$262,001
(3) Information and Assistance	\$380,173
(4) MIS	\$126,155
FIRST ALLOCATION TOTAL	<u>\$1,491,636</u>

#### **SECOND ALLOCATION:**

(1) Family Caregiver, Supportive Services & Care Management	\$723,304
SECOND ALLOCATION TOTAL	<u>\$723,304</u>

TOTAL FY 2007-2008 FUNDING \$2,214,940

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Four family caregiver support contracts listed on Attachment B are scheduled to expire December 31, 2007. The CDA recommended that CSS redesign the Title III-E family caregiver support programs as a result of a CDA monitoring visit conducted in March 2007. CSS is currently awaiting changes being made to the Title III-E program by the CDA regarding service definitions and reporting. The CDA plans to release these changes at the end of November 2007. The current contract term needs to be extended six months to allow for the incorporation of the CDA redesign and recommendations into

the procurement and resulting contract. The OAA and the CDA require a new procurement process be conducted every four years. CSS has worked with the CDA to develop a timeline for the contract extensions and the release of the RFP. CSS has also worked with the CDA with respect to the redesign of the FCSP and implementation of the recommendations made by the CDA.

### **CONTRACTING PROCESS**

All agencies being recommended for funding were successful in the RFP process conducted by CSS (OAA Titles III and VII, State Block Grant, and HICAP-funded programs in FY 2002-03.) The four service providers listed on Attachment B demonstrated satisfactory contract performance during each funding cycle and are being recommended for funding with this action. Another 30 agencies, indicated on Attachment C, will also receive additional funds but these agencies fall under CSS' 25 percent increase/decrease delegated authority.

As a State-designated Area Agency on Aging, CSS is required to conduct an open-competitive bid process every four years to solicit proposals and to fund those agencies qualified in providing services to caregivers using OAA Title III-E funds.

In FY 2002-03, CSS conducted an open-competitive RFP process for OAA Title III-E funded programs for a four-year RFP period from July 1, 2003 through June 30, 2007. Contracts were renewed annually upon Board approval from July 1, 2004 through June, 30, 2007, based on the availability of funds and contractor performance. FY 2006-07 was the fourth year of the current four-year OAA Title III-E RFP cycle.

As mentioned before, the CDA recommended CSS redesign all OAA programs administered by CSS prior to the release of a new four year RFP cycle. On June 26, 2007 CSS received approval from your Board and the CDA to extend the current Title III-E RFP cycle for six months in order to implement the recommendations made by the CDA.

### **Monitoring**

Monitoring of the family caregiver support program is conducted on an annual basis and includes administrative and programmatic monitoring to ensure contract compliance. Program monitoring is accomplished through the CSS Contract Compliance Division. Fiscal compliance monitoring is conducted bi-annually by an approved vendor procured through the Auditor-Controller.

**IMPACT ON CURRENT SERVICES**

The recommended actions will give CSS the authority to extend the contract term and provide additional funding to community-based contract agencies that provide family caregiver support program services identified under the OAA and within contract authority. The continuation of current services will assure seamless delivery of services to clients.

**CONCLUSION**

Upon Board approval, please mail one copy of the adopted Board letter to, Ms. Carol Domingo, CSS, 3175 West Sixth Street, Room 403, Los Angeles, CA 90020. Ms. Domingo, can be reached at (213) 351-5090, if needed.

Respectfully submitted,

William T Fujioka
